About our Junior Program

We are proud of our Junior program as it is centered around a fun, safe and educational learning environment that provides each child the opportunity to develop a great foundation for enjoying tennis for life both on and off court.

CLINICS ► LESSONS ► PLAY ►

Program Features

- USTA NetGeneration curriculum followed in all our junior program classes.
- We offer a clear developmental and performance pathway.
- Passionate coaches that instill tennis fundamentals and focus on developing student's character.
- Play to learn philosophy with plenty of playing opportunities.
- Fun, dynamic and progressive lesson plans.
- Our team works on the progressional development of each player making sure they are in the right group and moving forward as they progress.

Play Option Descriptions

Red Ball Team Challenge: Is an introduction to competition focusing on team play. It is designed with the objective of offering a low pressure, fun and social environment that highlights sportmanship and skill development.

Orange/ Green Ball Team Challenge: is a fun option for beginner level players to practice their serve/rally/score skills. With an emphasis on fun, kids will experience the thrill of competition and gain confidence.

USTA/UTR Junior Tournaments: Local competition for all levels and ages. These tournaments are offered in a variety of formats including, individual, team, non-elimination and elimination.

Junior Round Robin: An essential way for juniors to learn how to rally, score and match play in a fun, supervised environment! Held monthly, these robins are meant to develop your young star through a pathway of match play, rally and score.

AARON KING

Director of Tennis
